

# HIGHWAYS AND SPEEDWATCH

**“NOTHING HAPPENS OVERNIGHT”**

## **SIDs**

- continues to be progressed with NSC
- positioning agreed locally and to be agreed with NSC
- funding sources to be established

## **Traffic calming**

- existing PC proposals for calming long listed by NSC (10 years+)
- village wide ongoing discussions and campaigns -consider consultation by door to door surveys
- redrawing of road markings on A369 in 2027
- Bristol University pollution readings still pending

Kamala Das

## **SPEEDWATCH**

### **2025 year**

- 26 sessions
- 755 vehicles reported driving in excess of 36 MPH
- 14,318 total number of vehicles recorded travelling in one direction for 26 sessions
- per hour an average of 550 vehicles driving in one direction

### **2026 year**

- 5 sessions
- 122 vehicles reported driving in excess of 36 MPH
- 2,732 total number of vehicles recorded travelling in one direction for 5 sessions
- per hour an average of 546 vehicles driving in one direction

**Speed offenders include a sizeable number of local Abbots Leigh residents**

**Community involvement/action- key to success?**
